

ICMEB 2017

Seoul, Republic of Korea
October 20-22, 2017

Welcome to:

2017 2nd International Conference on Materials Engineering and Biomaterials

About Us

ICMEB 2017 will be held in Seoul, Republic of Korea during October 20-22, 2017. The aim of ICMEB 2017 is to present the latest research and results of scientists related to Materials Engineering and Biomaterials topics. This conference provides opportunities for the different areas delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.
